Your Window to Design

Since 1985 AMERICAN shutters® has been designing, manufacturing and installing custom-made adjustable security systems. Our product range includes stylish wooden shutters, elegant yet robust security shutters, security barriers and a variety of window blinds. Manufactured from sustainably grown timber or eco-friendly aluminium, our superior quality products are available in the widest choice of styles, shapes and finishes to suit just about any window or door. Whether you are looking for AMERICAN shutters in Pretoria, Cape Town, KwaZulu-Natal, or anywhere in between, contact us for an obligation-free quote.
